## ACTIVITY 1.3 - SAFE BEHAVIOURS

1. Are these behaviours safe or unsafe? Explain why.

BEHAVIOUR	SAFE	UNSAFE	WHY?
David does not have school today. Since the weather is beautiful, he decides to go for a swim with Trip, his dog, in the river behind his house.			<hr/> <hr/> <hr/>
Ann and her big sister, Emily, who is 12 years old, are at the Moose Lake Camping. They decide to go to the public pool, which is supervised by a lifeguard, instead of going swimming at the unsupervised beach.			<hr/> <hr/> <hr/> <hr/>
While his mom is preparing dinner in the kitchen, Julian decides to go swimming in the pool, which is located at the far end of their backyard.			<hr/> <hr/> <hr/>
Elliot is 16 years old and is on his <b>school's swimming team</b> . He is even his team's <b>star swimmer</b> . One day, he decides to arrive very early at the swimming pool, before everyone else, to prepare for his competition.			<hr/> <hr/> <hr/> <hr/>

2. Name three safe behaviours that can prevent nasty incidents from happening when you go swimming:

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

3. You are swimming with a friend in deep water. Suddenly, your friend encounters difficulties and needs help. What should you do?
