EVALUATION GRID FOR MANAGEMENT												
Airway obstruction: Unconscious adult, child and infant (GCSU Item 13)												
Victim found unconscious												
Environmental assessment for hazards												
Check level of consciousness												
Call EMS and attempt to obtain an AED												
Position victim (turn onto back if necessary)												
Open airway												
Observe breathing visually (5-10 seconds)												
If breathing is absent or abnormal and the AED is not present, initiate CPR with compressions (30:2)												
If breathing is absent or abnormal and the AED is present, initiate AED protocol immediately												
Proceed with ventilations												
If air does not penetrate (no chest rise), reposition head and attempt to ventilate again												
If air still does not penetrate, position properly and administer 30 chest compressions												
Check for any foreign body in the mouth and, if an object is visible and accessible, attempt to remove it												
Ventilation: if successful, continue CPR sequence												
Continue procedure until EMS takes over treatment or victim shows signs of normal breathing												
If victim shows signs of normal breathing, assess ABCs and intervene appropriately												
Conscious victim who becomes unconscious												
Call EMS and attempt to obtain an AED												
Administer 30 chest compressions												
Check for foreign body in mouth and, if an object is visible and accessible, attempt to remove it												
Continue with protocol for victim found unconscious												
Overall Assessment												
Candidate is able to recognize signs/symptoms and treat them.												
Candidate adequately simulates a 9-1-1 call.												
Candidate ensures their own safety for the duration of the intervention.												
Candidate respects the objectives of emergency care (preserve, prevent and promote).												

NOTES	
Candidate 1	Candidate 2
Candidate 3	Candidate 4
Candidate 5	Candidate 6
Candidate 9	Candidate 10
Candidate 11	Candidate 12
